

2 JULY 2020

YOUNG PROFESSIONALS FORUM

EMERGING SKILLS FOR HERITAGE CONSERVATION

NEW FORMAT

The Centro Conservazione e Restauro “La Venaria Reale” will host the first edition of the Young Professionals Forum on **July 2, 2020**, a biennial, international event for **young cultural heritage professionals**.

This first edition, entirely **digital** and **free**, will be held in 4 sessions, each one dedicated to a crucial theme for the conservation and transmission of cultural heritage

The **4 sessions** will address the following themes

- 1. Conservation ethics and practice**
- 2. Diagnostics and technologies applied to conservation**
- 3. Museum Professions**
- 4. History of conservation**

An international jury, composed of representatives of the most authoritative institutions involved in the world of cultural heritage conservation, will award, for each session, a **prize of 1.000€** to the most significant contribution in terms of quality of content, originality and effectiveness of communication.

Deadline for the presentation of the abstract: **20 May 2020**.

All selected abstracts will be presented on the Forum website and young candidates will have the opportunity to **publish** an article about their project in the Forum proceedings by the end of 2020.

To participate in the event it is possible to register by **30 June 2020**.

Each participant will have the right to vote for his/her favourite abstract, this vote will be added to the evaluation of the Scientific Committee for the award of the prize.

More information is available on the Forum **web page** on our website:
